A: Yes -Saint Louis University has a master Amazon Business account with a Prime membership. This gives buyers wo-day shipping on most items, deeper discounted pricing, and a sevenday inventory and pricing guarantee.

A: The preferred way to access the Amazon Business punchout is through Workday and Billiken Buy. You will add the items to your shopping cart and return it to Workday where the **usis** submitted for approval. One the requisition is approved and a PO is issued to Amzon Business, they will begin filling your order.

A: You should disregard the 3100 Washington Avenue default shipping address is a requirement of our central account for the punchout. Ensure that your delivery address is correct in Workday since that is the address that will end up on your shipping label. Items cannot be shipped to addresses off campus.

A: Delivery dates are estimated While we have Prime freewo-day shipping, we have routing rules
