1) Call to Order and Announcements

Happy Hour today 4:00 p.m.
We should hear today / tomorrow about appointments to the UUCC. Will work to get any new members on board for summer 2019 to have an overlap term with outgoing / incoming representatives
Discussion of budget / approval process for a new common core
We have heard multiple times both President and Provost that the Core is a top priority alongside enrollment. The Board of Trustees has heard the President express his support on the Core. By August, we need to have a core proposal with a financial / personnel commitment to present to the faculty.
Q: Does the Board of Trustees must formally approve the Core? A: the bylaws state that the Provost determines whether the Core must be approved by the BOT.
Whatever is voted through colleges / schools will then need to go through CADD.

2) Chris Luebbert, PhD candidate, Higher Education Administration, present to discuss preliminary results from and UUCC questions regarding Qualtrics survey data.

As of May 6th, there were 285 responses but not everyone has done completed process: only 10% have completed a full response. Of the 285: 173 faculty, 62 undergraduates, 30 Staff, 14 Graduate students and 7 administrators. Most come from CAS – 49.3% College of Health Sciences is next at 9%, then Parks 8.4%, remaining response groups under 5%. Responses are dated.
Responses by prototype: 87 Blueprint, 67 Journey and 105 Confluence.
Q u2F82oa Martinez,

3) Jordan – Presentation on the history of SPU/Core Review 1850–present. Jordan worked with the Jesuit Archives to compile this research, which will be crucial to how the UUCC tells the story of our efforts—offers broader context.

4) Discussion of membership / transition with new UUCC representatives rotating on in August 2019

Discussion: How do we best manage this transition at a crucial time in our Core
